

North American Bancard - the recommended payments processor of Synchrony

Synchrony signed an agreement with **North American Bancard** (the 6th largest independent acquirer/processor in North America) to offer merchants like you enhanced bankcard payment acceptance capabilities. This agreement will not affect your Synchrony Private Label Credit Card program.

North American Bancard is committed to providing you with:

- Free credit card processing equipment
- One single terminal that can process both private label and bankcard transactions
- Competitive bankcard processing rates
- An online portal to track payments
- A suite of easy-to-use reporting tools

Take advantage of exclusive pricing for Synchrony Clients, plus a free terminal capable of processing both EMV "Chip" bankcard transactions and Synchrony Private label swipe transactions.
